Any personal data you provide will be processed by the concession company* that manages the toll road for which you request the invoices as the controller, ("Autopistas"), for the purpose of handling your request. The lawful basis for the processing is to handle your request. Once it has been resolved, your data will be retained for the statutory limitation period, generally 5 years.

 You may exercise your rights to request access to and rectification or erasure of personal data, restriction on processing, the right to object and the right to data portability by writing to Autopistas at protecciondedatos@autopistas.com or to Atención al Cliente, Avinguda de Pedralbes, 17, 08034 Barcelona, with proof of your identity. You may also contact our data protection officer at protecciondedatos@autopistas.com. Finally, you may make a complaint to the Spanish Data Protection Agency.

* Complete list of concession companies with their registered offices and specification of the toll roads they manage
